“Let me talk sex with you for a minute. Since you’re going to be looking at my pictures, I figure you won’t mind. Men – they need visual stimulation. They typically are more sexually aroused and interested in sex. Maybe I’m a man in a woman’s body because I always seem to be horny, especially now.”

Barf Bag

The marquee poster was an eyepopping explosion of gore and over-the-top pronouncements.

THE GROSSEST MOVIE YOU WILL EVER SEE!

VIEW AT YOUR OWN RISK!

COMPLIMENTARY BARF BAG PROVIDED!

"Two," I told the young lady in the ticket booth, "for Zombies at the Zoo . . ."

Tickets in hand, I opened the door for my fugly ("fucking ugly" for those unfamiliar with the term) date and followed her into the lobby. Frieda had an ass at extreme odds with her unfortunate face. I studied its marvelous shape as she led me to the concession counter, entertaining all manner of dirty thoughts. I had yet to get inside her panties—this was our third date—but I could imagine what that fine caboose would look and feel like as I banged her from behind.

Tonight, I thought hopefully.

If Frieda didn't put out after the movie—well, I would never call her again . . .

Patience has never been one of my virtues, which has a lot to do with why I had asked her out in the first place. Sick and tired of being turned down by pretty chicks, I had swallowed my pride and approached Frieda. Of course, she had jumped at the opportunity to go out with me. With a face like hers she hadn't been on a proper date in a very long time. Frieda had a great body, sure, but most guys wanted the full package, face and body, and her mug was so bad that it nullified the latter.

I bought a bucket of popcorn and two sodas, feeling a knife in my gut when the concessionaire told me the grand total. They really stick it to you at the movies. But it would be worth it, I told myself, if Frieda gave me some pussy. The usher tore our tickets and issued each of us a barf bag. The bags, paper with a metal closure, were a lot like the ones they give you on an airplane.

Frieda giggled as we entered the darkened theater. "I hope we don't need these."

"We won't," I assured her. "It's just a dumb gimmick. I mean—how disgusting can the movie be?"

Trailers filled the screen. Most of the seats were empty. Still, we sat in the very back of the theater. This had been Frieda's idea. "I don't want people behind us," she had said, making me wonder if she planned on giving me a blowjob.

Zombies at the Zoo was pretty damn gross. Flesh eating galore, buckets of blood, and lots of exploding heads. Still, I never felt the urge to vomit. Of course, I was a horror connoisseur; they had yet to make a movie too strong for my cast iron constitution. Frieda covered her eyes a few times, but other than that she did just fine.

Unfortunately, she didn't suck my dick. She did, however, give me a handjob. I was pleasantly surprised when she unzipped my pants, grabbed hold of my pecker, and proceeded to stroke me. Frieda didn't utter a word as she tugged me to completion. I shot my wad against the back of the empty seat in front of me.

"You should've come in your barf bag," she said as we walked to my car.

"There's an idea," I replied.

Frieda had a great sense of humor. It was a shame about her face. I tried not to look at her, but it was next to impossible to unsee her uncomely features: bird beak nose, severe overbite, and an elongated forehead above eyes set too close together.

"Well," I said after cranking my car, "where to now?"

"How about my place?" Frieda said.

"Sounds good to me," I told her, keeping my eyes straight ahead lest I changed my mind.

With a girl like Frieda it was best not to make eye contact, best to focus on that smoldering body of hers and pretend that she didn't even have a head. I didn't know what I was going to do when she tried to kiss me—our two previous dates had ended with hugs—and she would definitely try; any self-respecting girl expected some amount of foreplay before spreading her legs. The prospect of pressing my lips to hers turned my stomach.

Driving to Frieda's place, I found myself wondering if she had ever considered cosmetic surgery. She was a prime candidate. A skilled surgeon could make her look a lot better. But plastic surgery is expensive. And Frieda was far from rich. Like me, she was struggling to make ends meet, juggling classes at the junior college while working a crappy, low-paying job. This was never more apparent than when we arrived at her shabby apartment which was even worse than mine.

No sooner did we sit on her threadbare sofa than Frieda surprised me with her candor. "Look," she said, "I know I'm not easy on the eyes—"

"Don't say that about yourself."

"Please," she said, "please let me finish . . ."

I shut my mouth.

"I know what all the guys at school call me," she continued matter-of-factly, "and I can't blame them. 'Fugly Frieda' is right. I am fucking ugly."

I gaped at her, astonished by her brutal honesty. Hers was a rare quality, rare and more than a little refreshing.

"But I've got a good body. Otherwise, you wouldn't have asked me out." She searched my face. "Am I right?"

"Yeah," I replied.

"You want to fuck me," she went on, "but you'd rather not look at my face . . ."

Frieda had read my mind. I felt like a total heel, the worst kind of shallow asshole.

She said, "It's okay. I totally understand. And I've got a solution . . ."

"Solution?"

Frieda reached for her purse on the end table. She plunged her hand inside and produced her barf bag. I had thrown mine away after the movie, dropping it in a wastebasket in the lobby. But not Frieda. She had kept hers. Before I could say a word, she fetched a pair of scissors from the end table drawer and started cutting on the bag. I sat transfixed as she created holes for her eyes and mouth and slipped the bag over her head.

"Presto," she said. "How do I look?"

"Good enough to fuck," I told her.

Next thing I knew the barf bag/mask was pressed against my face. Frieda crushed her lips to mine. The paper bag made a crinkling noise as her questing tongue probed my mouth. We must've looked ridiculous, but I was too horny to care, too horny to think about anything other than screwing her brains out.

Moments later, Frieda crouched on the floor in front of the sofa and liberated my cock. I leaned back, sighing contentedly when she took me in her mouth. The hole she had cut was plenty big enough to accommodate my stiff member. She pol-

ished my pole with sloppy urgency, slurping and slobbering like a real cum slut.

"My balls," I muttered. "Don't forget to—"

Frieda gobbled my gonads, cutting me off in midsentence. At one point she had my whole sack in her mouth. Her teabagging skills were impressive, so much so that I came damn close to shooting my juice. Thankfully, she sensed this and took a breather in the nick of time.

"Wow," I said, "you're really good at that."

"I'm good at lots of things," Frieda replied.

Then she rose to her full height and got undressed. I would have liked to watch her strip, but I was too busy shedding my own threads. Our clothes formed a messy pile on the floor which Frieda kicked aside playfully before straddling me.

I liked having her tits in my face; hers were big tits, big and bouncy and I licked her nipples while she grabbed my cock and lowered her hips. Frieda's cunt sheathed me in its wondrously snug embrace. Snug and hot and wet. I held her trim waist with both hands, my face buried between her mammoth mounds, as she rocked in my lap. She rode me hard, Frieda did, grinding her pussy on my prick with a wild bucking motion.

Having gotten her fill of the cowgirl position, she climbed out of the saddle and lay on the sofa with her feet in my lap. I looked at her strangely. "What gives, Frieda? You want me to suck your toes?"

"No," she said, her lips moving within the hole she had cut in the barf bag, "I want you to suck my cunt."

I grabbed her ankles and pushed her legs all the way back until her thighs pressed against her core. Then I went down on her. Frieda panted and writhed as I ate her pussy, especially when I sucked her clit. I was determined to make her come with my probing tongue. And I did. Her tensing and dreamy sigh told me so. Victory, I thought. Still, I was far from finished. Frieda had gotten her rocks off. Now it was my turn.

I climbed her ripe body and plunged my cock into her pussy. She cried out like she had been stabbed. I gave no quarter, reaming her with my rod, fast and hard and deep. I screwed her to the brink of popping off, but I wasn't done.

Frieda flipped right over when I grabbed her hips, assuming the doggy position with dexterous ease. My fingers digging into her taut flesh, I banged her from behind, clobbering her caboose with a series of stiff jabs. The sound of smacking flesh reverberated off the walls of her dingy apartment, pushing me toward one of the strongest orgasms in recent memory.

I pulled out and nutted all over her beautiful backside; this before collapsing on the sofa in utter exhaustion. Frieda, equally spent, lay beside me.

"Thanks for fucking me," she said after a lengthy silence.

"Are you kidding? I'm the one who should be thanking you. That was fantastic."

I meant every word. Fucking "Fugly Frieda" had been one of the best sexual experiences of my life.

When I left some twenty minutes later she was still wearing the barf bag. I didn't tell her to take it off. And I hope she doesn't toss it in the trash. Halloween is right around the corner. One of my best friends is throwing a big costume party and I'm hoping Frieda will be my date. I have no idea what kind of mask I'll wear, but hers is a foregone conclusion!

“I said our tongues shouldn’t be saved for each other. Lana, if you want to kiss me, then kiss me. If you want your pussy licked, then I’ll do it. Our lust fulfilled on this bed. Oh, him? I’m okay sharing him. After all, look at the size of his cock! There’s enough man meat there for the both of us!”

Reunited with My Ex

Unable to resist any longer, I leaned in and pressed my lips to his. He met me halfway, his mouth slanting over mine in a way that sent tingles racing down my arms.

I was craving some downtime after a hectic week so I ordered pizza from a new restaurant that my friend had recommended. When I opened the door, it took me a moment to recognize my ex-boyfriend as the delivery man. It'd been five years, and he looked even more handsome than ever.

"Jeffrey?" I asked in disbelief, my eyes roaming over his muscular frame. He had filled out nicely over the years. His lanky build was now sculpted with lean muscle. But his eyes were the same. They were what I recognized, warm and sparkling green.

"Hey, Lexy," he said with a charming smile, holding up the pizza.

"Well, isn't this a nice surprise," I replied. We made a bit of small talk, catching up on the basics of our lives.

"I actually have to go make another delivery," he said, glancing at his watch. "But I get off in about an hour."

"Come by again after your shift then," I surprised myself by how quick I was to invite him back. "I'd love to catch up properly." He flashed me another smile and left. While I waited, I ate, showered, and changed to appear more presentable.

True to his word, Jeffrey was back at my door later that night. I welcomed him inside and we settled onto the couch in my living room, sipping on the glasses of wine I had poured for us.

We reminisced, talking about old memories and catching up on the last few years. The couch grew smaller as we inched closer to each other, drawn together. The air between us crackled with a familiar tension, as if no time had passed at all.

Unable to resist any longer, I leaned in and pressed my lips to his. He met me halfway, his mouth slanting over mine in a way that sent tingles racing down my arms. Jeffrey was different now, but enough of him was the same. The way his lips moved against mine, the way his eyes looked at me, his voice dropping to a low rasp as he whispered against my skin. It was all familiar and something I didn't realize I missed until now.

He pulled back, his eyes searching mine for confirmation that we felt the same. Then, with a sudden burst of movement, he swept me up into his arms and tugged at my clothes to remove them. I guided us towards my bedroom leaving a trail of clothes along the way. Sweeping me up, Jeffrey effortlessly tossed me onto the mattress and crawled on top of me.

"I've missed this," his was voice thick with desire. "Missed doing this with you."

"Me too." My body arching up to meet his as he settled between my thighs. He dipped his head, his tongue parting my folds and delving into my cunt. I moaned, wrapping my fingers around his short hair. His tongue circled my clit, swiping across it in repetitive and confident strokes. Each pass over the sensitive bundle of nerves drove me closer to the edge.

Wanting him to see all of me, I leaned back as I bounced on his cock. I watched his gaze roam over my body, taking in every curve and dip with blatant appreciation.

I was already wound tight from a stressful week. My body thrummed with anticipation and need. So when he slid a finger inside me and curled it just so, I lost it completely. I moaned his name and let my orgasm crash over me and wash away all the tension in my muscles. My thighs clamped around his head, holding him in place until I was weak.

His erection pressed insistently against my leg, and I knew he needed relief. Rolling us over, I straddled his hips and smiled down at him. Watching his expression as I sank down onto his cock, taking him inch by inch until he was fully seated inside me. I gasped loudly at the initial intrusion, getting used to feeling full once again.

He let me set the pace, only rocking his hips up to meet mine once I began to move above him. Wanting him to see all of me, I leaned back as I bounced on his cock. I watched his gaze roam over my body, taking in every curve and dip with blatant appreciation.

When I lost my balance and fell forward against his chest, he caught me easily and rolled us over so that he was above me. Jeffrey pounded into me then, his thrusts rapid and unrelenting.

With a guttural groan, he pulled out and stroked himself to completion. I gasped as the first rope of cum landed on my tits, quickly followed by several more. He painted my skin with his release, marking me as his once again.
